Cheering on our champions!

We have one cheer point along the route and will be out in force to support you. Keep an eye out for our flying flags, banners and cheerers and give us a wave!

You'll need to say goodbye to your supporters before heading to the start area as this is for runners only. So, send them our way and together we can cheer you on. It's much easier for you to spot each other at our cheer point, as we'll stand out from the crowd!
