We have set an ambitious target of raising £420,000 in just one month. This sum will help fund seven adorable puppies from birth to retirement, on their journey as life changing guide dogs.

How you can get involved

There are lots of ways you can help us reach our target in October. You can:

- **Donate an hour** of your time at a Pup to Partnerships collection in your local area.
- **Fundraise for us** – register / download a free fundraising pack and get all the ideas and tips you need.
- **Make a one-off or monthly donation.** Every penny you donate will help train our pups to become life-changing guide dogs.
- **Sponsor guide dog puppy** Cookie, from just £1 a week and watch her grow from a six-week-old bundle of fur to a qualified guide dog.

By supporting Pups to Partnerships, you'll be

helping us transform the lives of people with sight loss.
