**Note:** Once this board is complete, the Organiser should shortlist one girl's name and one boy's name and submit these to Guide Dogs once the fundraising target is reached. Please make sure the name you choose is two syllables long and doesn't sound like a dog command such as 'sit', 'wait' and 'stand'. Avoid anything that might be embarrassing for a guide dog owner to call in public and also spell the name phonetically eg Jaykay rather than JK. Guide Dogs reserve the right to turn down any names that are unsuitable.
