# Cheering on our champions!

We will be out in force to support you as you take on this incredible challenge for Guide Dogs. Keep an eye out for our flying flags, banners and give us a wave!

You'll need to say goodbye to your supporters before heading to the start area, as this is for runners only.

Send your supporters to join our cheer point. We have one spot along the route that stands out from the crowd, this makes it easy to spot each other!

# Celebrate at our post-race reception

Come and meet the Guide Dogs team once you've crossed the finish line. There will be refreshments, massage therapists and guide dogs ready to meet you!

Here you can have a well-earned rest and start your recovery.

From the finish line on The Mall, once you've picked up your baggage, go through St James Park and make your way to our post race party.

Your supporters are welcome to join us at the post-race party, this is a great place to meet each other. However please be aware space is limited and during busy periods supporters may be asked to wait nearby.
