Round 1

How to take part!

Hosting a 'Virtual Pub Quiz' for Guide Dogs is as easy as pulling a pint!
All you need to do is;

- Pick an evening to video chat with friends, family or colleagues.
- Get everyone to make a donation to take part, maybe the cost of their favourite drink at the pub?
- Set up a [justgiving](#) page to collect your donations.
- Set up your video chat and have fun from the safety of your sofa!

Right now, it has never been more important to come together online and support one another. By hosting a Virtual Pub Quiz for Guide Dogs, you and your friends and family are helping support people with sight loss, now and in the future.

Round 2

All about the quirky questions!

The name of the game is keeping everyone entertained!

The great news is that we've done all the hard work for you and created 5 rounds, consisting of 10 answers each, including a tie break question. If you wish to add more then why not include;

- A specialist subject round, do you all love a specific TV show? It's time to find out who knows it best
- A picture round, name the celebrity or identify 10 different breed of dogs.
- Spot the intro and name that song - play popular song intros for 3-5 secs!
- Name that movie by using famous film quotes!

Round 3 Off to the virtual pub!

Now you have composed your optional extra rounds, it's time to invite your guests!

Message the family WhatsApp group, Skype your colleagues, or set up a Facebook event for friends and get everyone involved.

On the night you can use whichever video chat platform works for you.

Not sure how to set up a video chat? Get in touch via fundraiseforus@guidedogs.org.uk and we will help you.
