Training life-changing dogs, with your support

Every six minutes someone starts to lose their sight in the UK.

This year 1,300 puppies will start their journey to become a guide dog.

And we need your help to turn these pups into partnerships. The guide dog service receives no government funding, we rely on donations to continue our life-changing work.

Every donation counts

£8

could support a working guide dog partnership for a day.

£16

could pay for a 'puppy in training' jacket for one of our puppies.

£29

could pay for an hour of specialist training for a guide dog.
