

# Pin the tail on the guide dog

Practise your  
guiding and  
listening skills!

- 1 Print these pages and blue tack the second page onto the wall.
- 2 Cut out the dog's tail and stick some blue tack on the back.
- 3 Take it in turns to be blindfolded and try to put the tail in the correct place on the dog. Ask a friend to help by giving you three instructions to guide you.
- 4 Your guide dog should look like this.
