Disclosure of Personal Information

As part of the planning and delivery services we may need to contact or share information with other relevant people or professionals. This may include but is not limited to, the local authority (e.g. social worker, family support worker, early years specialist, lead professionals/key workers), education team (e.g. QTVI, class teacher, learning support assistant, college tutor), health services (e.g. physiotherapist, occupational therapist, health visitor, GP, eye specialist, paediatrician) or voluntary organisation (e.g. local society for the blind, RNIB).

The personal information collected on this form may be used by Guide Dogs' children and young people's services, its staff and authorised volunteers, and by the other organisations that we contact for the following purposes:

- Providing and administering Guide Dogs' children and young people's services such as Habilitation, Family Support, Education Support and Technology. This will also apply to any other Guide Dogs services that your child may receive in the future.
- Monitoring the quality of services provided.

We will let you know who we will liaise with as part of the service delivery, unless there is a safeguarding concern for your child/yourself or another vulnerable person in the household. Please visit www.guidedogs.org.uk for our privacy statement.

- I understand why the information set out above is recorded on this form and that it will be stored securely and in accordance with data protection legislation by Guide Dogs' children and young people's services and used for the purpose of providing services to me/my child.
- I agree to contact Guide Dogs' children and young people's services and inform them if there are any changes in my child's personal circumstances.
- I understand this form is an application to Tech for All to be considered by Guide Dogs and that the decision made in this matter is final.
- I understand that if funding is agreed, Guide Dogs are not required to provide payment towards the upkeep of equipment or software, including replacement, insurance, antivirus/security software, maintenance and warranties.
- I consent to any photographs or thank you letters I send to Guide Dogs may be used for publicity purposes both online and in printed materials.
- I understand any equipment and software provided by Guide Dogs is for home use only. The provision of equipment and software within an educational environment is the responsibility of the education provider.
- I have read and understood the Guide Dogs Tech for All **eligibility criteria** and **T&C's**.
- I understand that all sections of this form must be completed for the application to be considered and that incomplete forms will be rejected.
- I have read, understood and, where relevant give consent to the contents of this form.
